LSD Seized in Hamilton

HAMILTON -- The Mercer County Narcotics Task Force concluded a month-long investigation this week with one arrest and the seizure of LSD, Mercer County Prosecutor Angelo J. Onofri reported.

MCNTF detectives received information that Kyle Shaw would be attempting to sell a large quantity of LSD in the South Broad Street area of Hamilton. On Monday, November 6, at approximately 6 p.m., Shaw was observed in the area and officers with the Mercer County Prosecutor's Office, the Mercer County Sheriff's Office, and the Hamilton and Trenton police, under the command of the prosecutor's Special Investigations Unit, detained him and obtained a search warrant. A search of Shaw's person revealed two sheets of paper soaked in LSD, valued at approximately \$5,000 on the street.

Shaw, age 29, of Harrison Avenue, Hamilton, is charged with possession of a controlled dangerous substance, possession with the intent to distribute and possession of LSD in a quantity of 100 milligrams or more.

Despite having been charged, every defendant is presumed innocent until found guilty beyond a reasonable doubt in a court of law.
