Massage Therapist Charged with Sexually Assaulting Client During Massage

A 40-year-old man from Clementon, NJ, was arrested and charged recently with sexually assaulting an adult female client during a massage.

Asmar Berry, a massage therapist at Renewed Spa Massage in Pennington, NJ, was charged with one count of second-degree sexual assault and one count of fourth-degree criminal sexual contact. Berry was charged on a summons and released pending future court proceedings.

The complaint alleges Berry touched the intimate parts of the victim without her consent during her appointment in September 2018 at Renewed Spa Massage.

The investigation is ongoing. Anyone with information on the case should contact Detective Karen Mendez of the Mercer County Prosecutor's Office Special Victims Unit at (609) 989-6568.

Despite having been charged, all persons are presumed innocent until found guilty beyond a reasonable doubt in a court of law.
