

Victim Information and Notification Everyday (VINE)

Victim Information and Notification Everyday (VINE) provides victims with information about the custody status of offenders. When an offender is arrested or released from custody, the victim will be telephoned through VINE's automated notification feature. Additionally, a victim may also access the custody status of an offender, whether housed in a New Jersey county jail, state prison or other correctional facility, 24-hours a day by calling the bellow toll-free number.
