Mercer County Homicide Task Force Investigation Leads to Arrest in Shooting Homicide of Daquan Brown

A Trenton man has been charged with the murder of Daquan Brown earlier this month in the city, Mercer County Prosecutor Angelo J. Onofri reported.

Mack Williams, 32, is charged with murder and weapons offenses. He was taken into custody on Monday in Trenton by the U.S. Marshals NY/NJ Regional Fugitive Task Force with assistance from the Mercer County Sheriff's Office. The prosecutor's office has filed a motion to detain Williams pending trial.

The charges are the result of an investigation by the Mercer County Homicide Task Force and the Trenton Police Department. At approximately 3:10 p.m. on Sunday, October 9, 2022, Trenton police responded to a Shot Spotter activation for multiple rounds in the first block of Ewing Street. Responding officers arrived on scene to discover an adult male lying on the ground at Kersey Alley suffering a gunshot wound to the shoulder area. He was transported to the hospital and pronounced dead a short time later. The victim was identified as Daquan Brown, 33, of Trenton.

Despite having been charged, every defendant is presumed innocent until found guilty beyond a reasonable doubt in a court of law.
