### **Mercer County Prosecutor Warns of Tax Scam**

The Mercer County Prosecutor's Office is aware of a scam using letters claiming to be from a fictitious Tax Assessment Securities division of Mercer County. This is not an official notice from the Mercer County Board of Taxation.

It is believed that this is an attempt to scam residents into paying a fake tax debt. The fraudulent notice has a bold heading claiming the notice is a distraint warrant and a toll-free number listed on the letter, which may lead recipients to believe this is a legitimate piece of communication. These letters attempt to scare residents to respond by stating it is a final judgmental notice and that the recipient must call within 15 days of receiving the letter to avoid enforcement and additional penalties, fees or interest.
